

Biennial Conference of the Australian Association of von Humboldt Fellows

in association with the New Zealand Association of von Humboldt Fellows

HOBART 20-22 Nov 2015

Global Perspectives, Local Knowledge

The biennial meeting of the AAvHF will take place in Hobart in November 2015. It offers an important opportunity for current and former Alexander von Humboldt Fellows, across both the Humanities and Sciences, to meet, to present and exchange ideas, and to learn more about the current and future activities of the Foundation.

Registration and submission of contributions is now open. See the conference website for updates. For further information contact the conference chair, Dr Peter Jarvis (Humboldt.2015@utas.edu.au).

The RAMP program is a joint initiative of the German Academic Exchange Service (DAAD) and the AAvHF to provide mentoring to early and mid-career researchers in Australia. A meeting will be held 19-20 November, and AAvH fellows are encouraged to attend both meetings. Those interested in becoming a mentor or mentee should register on the RAMP website to receive further information.
